

What is the difference between the designer and the instructor? What if one is having to fulfill both roles?

Hi, I'm trying to research whether it's possible to create custom dashboard designs with dynamic content for students in Canvas. Some of the things we were hoping to include in the dashboard: Welcome ...

All technical data is subject to change in line with ongoing technical development! This document is to be treated confidentially. It may only be made accessible to authorized persons. It may only be made ...

Can wind turbines be built within 10 km of a gliding site? Developments of wind turbines within 10 km of a gliding site or where the maximum height of the structure is within a 50:1 angle of a gliding site will ...

GE's proprietary Advanced Loads Control allows siting of the 82.5-meter rotor in high wind regimes, combining drive train sensors and capabilities of the Mark\* VIe turbine controller to individually pitch ...

Avoiding Overcrowded Modules One of my primary goals when designing a Canvas course is to avoid creating overcrowded modules. These are modules so packed with items that ...

The Commission reasoned that, similar to large wind generators, small wind generators would face increased costs to provide reactive power that could create an obstacle to the ...

Before any entrance cover to an enclosed space is removed, the employer shall determine whether it is safe to do so by checking for the presence of any atmospheric pressure or temperature differences ...

? 01-20-2022 07:42 AM What you're describing sounds a lot little how DesignPLUS works. It adds extra drawers in certain area to Canvas. This tool was originally open sourced and it had both an LTI tool ...

determine the installation location's basic wind rating speed. While most of the United States has a basic wind rating speed of 110 miles per hour, special regions, particularly along the Atl. ntic and Gulf ...

Voc&#234; pode gravar um v&#237;deo no Canvas Studio com sua webcam usando um navegador Safari ou Firefox. Os v&#237;deos podem ser gravados de qualquer p&#225;gina da sua conta. &#201; poss&#237;vel gravar m&#237;dia ...

This Information Sheet discusses the special factors and planning that must be considered when supplying generators in enclosures, that are installed outdoors in such regions.
