

Chisinau new energy storage magnetic pump manufacturer

Who makes magnetic drive pumps in China?

After years of development and research, we're now the leading producer of magnetic drive pumps in China with several patents and 12 authorized patents for utility models. The Taicang IMC metal magnetic drive chemical pumps are built with stainless steel 304, 316, 316L, DDS, and Ti-alloy and IMC plastic magnetic ...

Who is Taicang magnetic pump?

Taicang Magnetic Pump Co., Ltd is the specialized manufacturer designing and producing magnetic-driving pumps in China. We started to research and develop magnetic pumps with Shanghai Chemical Research Institute (SCRI) in 1979. Our company are certified to ISO9001/2000 in the year of 2000.

What materials are used in Taicang magnetic drive chemical pumps?

The Taicang IMC metal magnetic drive chemical pumps are built with stainless steel 304, 316, 316L, DDS, and Ti-alloy and IMC plastic magnetic drive chemical pumps are built with PEEK, PFA, PVDF, and ETFE. Products convey all kinds of chemical liquid. Fluoroplastic Magnetic Pump Transport Strong Acid. Strong Alkali and Toxic Chemical Medium

What is a magnetic pump?

A pump is a machine that transports or pressurizes In 1979, he cooperated with Shanghai Chemical Research Institute to develop and produce magnetic pump products, and produced the first domestic magnetic pump products in 1983, and won the third prize of scientific and technological achievements of the Ministry of Chemical Industry.

Magnetic drive pumps are sealless centrifugal pumps that use a coaxial magnetic coupling to transmit torque to an impeller. They are energy efficient and can circulate a variety of fluids including acids, caustics, and oils. ...

We are manufacturer to achieve operating temperature of plastic pump to 250?, metal magnetic pump to 400?, with low Energy consumption. We are professional manufacturers specializing in magnetic ...

Magnetic Pump - Stainless steel & Plastic Magnetic pump (also known as magnetic drive pump). Pump material mainly use stainless steel, PVDF, CFRPP, CPVC and so on. Manufacture magnetic drive gear pump ...

We are firmly established as a leading manufacturer and supplier of magnets and magnetic equipment. With over 20 years of experience in the design and manufacture of high performance magnetic systems, we ...

Since 2003, Shanghai Crowns Pump Manufacturing Co., Ltd. has not only stood as a pioneer in the fire pump industry but also channeled substantial resources into the research, development, and manufacturing of ...

China leading provider of Stainless Steel Magnetic Drive Pump and Mag Drive Turbine Pump, Ricite (Zhejiang) Science & Technology Co., Ltd. is Mag Drive Turbine Pump factory.

Chisinau new energy storage magnetic pump manufacturer

The professional manufacturer to design and produce magnetic drive pumps. After years of development and research, we're now the leading producer of magnetic drive pumps in China with several patents and 12 ...

In 1979, our company cooperated with Shanghai Chemical Research Institute to develop and produce magnetic pump products, and produced the first domestic magnetic pump products in 1983, and won the third prize of ...

Shanghai Remy is professional Magnetic Pumps manufacturer, to provide you with the latest and most complete Magnetic Pumps samples, including: model, structural diagrams, performance parameters ...

Application Petrochemical, fine chemical, pharmaceutical, new energy, new materials, environmental protection, natural gas, power plant, fertilizer, wastewater treatment, shipbuilding, nuclear industry etc. and industrial ...
