

How much does an outdoor cabinet with IP65 protection cost

What is an IP65 outdoor cabinet?

FEATURES The IP65 Outdoor Cabinet is a high-quality cabinet designed for 19" industrial applications. Based on EN60529 provided IP65 protection class against dust and water ingress. Welded construction for strength and corrosion protection, all metalwork is

What is an IP65 enclosure?

Casters, support legs and risers. IP65 enclosures are general outdoor cabinets that provide basic waterproof protection. They are equivalent to NEMA 4 and NEMA 4X enclosures. Our enclosure designs provide high quality electrical enclosures for industrial applications that can be easily customized to meet IP65 standards at a standard-model price.

What does IP65 code mean?

The two-digit code shows the protection against particles (the first digit) and water (the second digit). IP65 electrical enclosures provide: Complete protection for the enclosed equipment from dust and other materials such as dirt, oils and non-corrosives. Protection from voltage and moving parts for people who come in contact with the enclosure.

Does bison profab meet IP65 standards?

Bison ProFab is a leading manufacturer of high quality electrical enclosures that meet IP65 standards. International Protection (IP) standards are used to designate the protective capacity of an electrical enclosure. The two-digit code shows the protection against particles (the first digit) and water (the second digit).
