

To maximise the use of biogas generated during the sludge treatment process, we are installing additional CHP generators and gas-turbine systems at our STWs such as Sha Tin STW, Tai Po STW ...

The system in Chiho's Hong Kong factory in the Yuen Long Industrial Estate, was launched in February 2021 and completed at the end of May 2021. It is currently the single largest solar power system in ...

The solar farm comprises over 4,200 numbers of polycrystalline photovoltaic panels with an installed generation capacity of 1,100 kilowatts, which accounts for about 20 percent of the current annual ...

United Court is located on 1 Shan Pui Road, Tung Tau, Yuen Long, adjacent to Yuen Long town centre, with developed facilities nearby. The modular integration construction method is adopted when ...

The five new projects will be installed at sites which spread across the Hong Kong Island, Kowloon and New Territories, including the Pat Heung Depot in Yuen Long, Chai Wan Depot, Siu Hong Station in ...

To reduce greenhouse gases and pollutants released by traditional fossil fuel power generation, Fortune Pharmacal takes the initiative to introduce renewable energy at Yuen Long manufacturing plant: we ...

JEC will install renewable energy facilities, including extensive provision of PV system and 3 high-efficient CHP system generating sets. YLEPP will become one of the largest solar power ...

STW, with an installed generation capacity of 1.1 MW, is the largest PV system amongst all government facilities in Hong Kong. DSD is exploring the provision of more PV systems at various sewage ...

Thanks to the private sector, they have also installed many solar PV projects and contributed a lot to the decarbonisation process. Some of the PV projects are described below, with photos. A 350 kW PV ...

The system in Chiho's Hong Kong factory ...

YLEPP was designed to maximise its potential to utilise solar energy by installing more than 5,000 monocrystalline-type PV panels on the rooftop of most of the buildings of YLEPP for power ...

Yuen Long Solar Power Generation
